MEMORANDUM FOR: Director of Personnel

SUBJECT: Coverage of Employees Engaged by Contract  
under the Provisions of Sections 5(a)(5)(A)  
and 5(a)(5)(C) of P.L. 110

REFERENCE: Memorandum to Office of General Counsel from  
Director of Personnel, dated 14 February 1956,  
same subject

1. We note in reference memorandum that although you  
contemplate the immediate amendment of [ ] to  
reflect medical coverage of contractual employees under  
P.L. 110, you do not contemplate an immediate amendment to  
[ ]

25X1A

2. The reason given for not amending [ ] is one of  
administrative convenience in that the regulation is now in the  
final stages of processing for authentication, and amendment at  
this time would delay its publication. A memorandum from this  
Office, [ ] to the Regulations Control Staff, dated  
1 March 1956, Subject: [ ] Employees Engaged by Covert  
Contract, raises some substantial objections to the present  
draft of the regulation which are likely to call for revision in  
any case.

25X1A

3. Consequently, we would recommend that you amend [ ]  
at the same time that you amend [ ] in order that  
these regulations may be consistent each with the other.
